Rating Information

Community Rating with Areas

Community rating means all members in the same rating class pay the same rate (excludes discounts and surcharges). In an area rated state, all members in the same class in the same area pay the same rate (excludes discounts and surcharges).

Refer to Appendix III for lists of ZIP Codes applicable to each area.

Tobacco Use

Members who have smoked cigarettes or used any tobacco product at any time within the past 12 months will pay the tobacco use version of the rate for which they qualify.

Rate Guarantee

New members receive a 6-month rate guarantee from their initial plan effective date. Members will not receive an additional rate guarantee when switching from one AARP Medicare Supplement plan to another.

Rate Changes

UnitedHealthcare’s monthly premium generally changes once a year. However, enrolled members may see their premium change at other times due to:

- the Enrollment Discount changing on their policy anniversary
- rate guarantee ending, or
- moving into a different area or state

Underwriting Information

• **Who needs to be underwritten?** Applicants outside of their open enrollment period and who do not qualify for guaranteed issue are underwritten to determine eligibility and rate (depending on the time since their 65th birthday or Medicare Part B effective date, if later).

• **Does underwriting vary for different AARP Medicare Supplement Plans?** No.

• **Can applicants be denied for coverage?** If applicants need to be underwritten, the only medical reasons for denial are:

- End Stage Renal Disease (ESRD)
- Dialysis is required
- Applicants have been admitted to a hospital within the past 90 days
- A medical professional has recommended or discussed as a treatment option any of the following that has not been completed:
 - Hospital admittance as an inpatient
 - Organ transplant
 - Back or spine surgery
 - Joint replacement
 - Surgery for cancer
 - Heart surgery
 - Vascular surgery

The above medical reasons can be found on Section 5 of the application. If applicants answer “yes” to either question in Section 5, they will be denied coverage.

Everyone has the right to apply. Applicants can continue the application process even if they may not qualify.

• **When do applicants need to complete other medical questions in Section 6 of the application?** If their effective date is 3 or more years since their 65th birthday (or Medicare Part B effective date, if it is later) and they do not qualify for guaranteed issue, applicants must complete the other medical questions on the application. This information is necessary to determine their rate.

• **What if additional medical information is needed?** The underwriter may contact applicants or their physician to clarify the information before reaching a decision.

• **What if applicants are unsure about their medical conditions?** If applicants are unsure about their medical conditions, their uncertainty should be noted on the applications and submitted to underwriting for review along with available information.

Note that Appendix I includes a glossary with short definitions of the medical conditions listed on the application. This may assist you if applicants are unsure about a listed medical condition.

• **Can an insured applicant change to a different AARP Medicare Supplement Plan?**

- A change from an AARP Medicare Supplement Plan with an effective date of 6/1/2010 and later to another is usually permitted without underwriting. The new plan must be available at the applicant’s current age and area of residence.
- A change from an AARP Medicare Supplement Plan with an effective date of 5/1/2010 or prior will require new rating and underwriting (same requirements as new sales).

UnitedHealthcare reserves the right to deny a plan change request at any time. If applicants are denied a plan change request, they can remain with their current plan, with no effect to their current rates.

Please ensure that the application has been completed in full. Material mistakes or incomplete responses on applications may subject applicants to re-evaluation of their rate or loss of coverage.
