## Medicare Part A hospital coverage

The Forethought® Standard Medicare Supplement Plan pays the \$1,132 Part A (inpatient) deductible for Plans C, F, G and N for each benefit period.

**First 60 days** – After the Part A deductible, Medicare pays all eligible expenses for services from your first through 60th day of hospital confinement. Services include semi-private room and board, general nursing and miscellaneous hospital services and supplies.

**Coinsurance** – Plans A, C, F, G and N pay \$283 a day when you are hospitalized from the 61st day through the 90th day. When you are hospitalized from the 91st day through the 150th day, the Plans pay \$566 a day for each Lifetime Reserve day used.

**Extended hospital coverage** – If you are in the hospital longer than 150 days during a benefit period and you have exhausted your 60 days of Medicare lifetime reserve, Plans A, C, F, G and N pay the Part A Medicare eligible expenses for hospitalization, paid at the Diagnostic Related Group (DRG) day outlier per diem or other appropriate standard of payment, subject to a lifetime maximum benefit of an additional 365 days.

**Benefit for blood** – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Plans A, C, F, G and N pay the deductible.

**Skilled nursing facility care** – Medicare pays all eligible expenses for the first 20 days.

**Coinsurance** – Plans C, F, G and N pay up to \$141.50 from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare certified skilled nursing facility within 30 days of being hospitalized for at least three days.

**Hospice care benefit** – Plans A, C, F, G and N pay the copayment/coinsurance amount for all Part A Medicare eligible hospice care and respite care expenses.

## Medicare Part B physician services and supplies

**Deductible** – Plans C and F pay the \$162 calendar-year deductible.

**Coinsurance** – After the Part B deductible, Plans A, C, F and G generally pay 20% of eligible expenses for physician's services, supplies, physical and speech therapy, and ambulance service.

After the Part B deductible, Plan N generally pays 20% of the eligible expenses for physician's services, supplies, physical and speech therapy, and ambulance services except up to a \$20 copayment for office visits and up to a \$50 copayment for emergency room visits.

For hospital outpatient services, the copayment amount will be paid under a prospective payment system. If this system is not used, then generally 20% of eligible expenses will be paid.

**Excess benefits** – Your bill for Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Plan F and G will pay 100% up to the charge limitation established by Medicare.

**Benefit for blood** – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Plans A, C, F, G and N pay the deductible.

## Other benefits\*

**Emergency care received outside the U.S.** – After you pay a calendar-year deductible, Plans C, F, G and N pay you 80% of eligible expenses incurred during the first 60 days of a trip up to a lifetime maximum of \$50,000. Benefits are payable for medically necessary emergency care.

# Forethought® Medicare Supplement Plans

**A Forethought® Standard Medicare Supplement insurance policy** helps pay eligible expenses not paid for by Medicare Part A and Medicare Part B. There may be charges that exceed what Medicare and your Standard Medicare Supplement insurance policy will pay.

**“Medicare Eligible Expenses”** means expenses covered by Medicare to the extent recognized as reasonable and medically necessary by Medicare.

## **Forethought Standard Medicare Supplement Plans will not pay for:**

- Any expense incurred before your Policy Date
- Services for which no charge is made
- Expenses paid by Medicare
- Hospital or skilled nursing facility confinement charges incurred prior to the effective date of coverage of the policy
- Loss or expense that is payable under any other Medicare Supplement insurance policy or certificate

**Medicare Part A Eligible Expenses for hospital/skilled nursing facility care** include expenses for semi-private room and board, general nursing and miscellaneous services and supplies.

A **Benefit Period** begins the first full day you are hospitalized and ends when you have not been in a hospital or skilled nursing facility for 60 consecutive days.

**Medicare Part B Eligible Expenses for medical services** include expenses for physician’s services, hospital outpatient services and supplies, physical and speech therapy, and ambulance service.

**Coinsurance** is the portion of the eligible expense not paid by Medicare and paid by Standard Medicare Supplement Plans.

**Benefits are paid to you,** your hospital or doctor.

**You have 31 days from your renewal date to pay your premium.** Your policy will stay in force during this 31-day grace period.

**Your Policy is guaranteed renewable.** Your policy cannot be canceled. It will be renewed as long as the premiums are paid on time and the information on your application is correct.

**You cannot be singled out for a rate increase** no matter how many times you receive benefits. Your premium changes only (a) each year on the renewal date coinciding with or following the anniversary of your Policy Date until you reach age 99; and (b) when the same premium change is made on all in force Forethought Standard Medicare Supplement policies of the same form issued to persons of your classification in the same geographic area of your state.

**IMPORTANT STATEMENTS TO BE READ BY APPLICANT IF PURCHASING MEDICARE SUPPLEMENT INSURANCE COVERAGE**

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

By this application I am applying to Forethought for a Medicare supplement insurance policy. I understand that, (a) upon acceptance of the completed application, each applicant will receive a separate policy; (b) my policy benefits can start no earlier than my Medicare effective date(s), my first month's premium has been received and/or processed and my application has been approved by Forethought.

I understand that any person who, knowingly and with intent to defraud any insurance company or other person files an application for insurance containing any materially false information or conceals, for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime.

Notice to Applicant regarding replacement of Medicare Supplement insurance or Medicare Advantage  
**SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.**

According to your application, you intend to terminate existing Medicare Supplement insurance or Medicare Advantage and replace it with a policy to be issued by Forethought Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance available to you under the new policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that the purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**STATEMENT TO APPLICANT BY ISSUER, AGENT**

I HAVE REVIEWED YOUR CURRENT MEDICAL OR HEALTH INSURANCE COVERAGE. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare Supplement or, if applicable Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reasons:

- |   |   |
|---|---|
| <input type="checkbox"/> Additional benefits.                       | <input type="checkbox"/> My plan has outpatient drug coverage and I am enrolling in Part D.                     |
| <input type="checkbox"/> No change in benefits, but lower premiums. | <input type="checkbox"/> Disenrollment from a Medicare Advantage Plan. Please explain reason for disenrollment. |
| <input type="checkbox"/> Fewer benefits and lower premiums.         | <input type="checkbox"/> Other, (please specify) _____.   |

1. State laws provide that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
2. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

**Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.**
