NOTICE TO BUYER: This policy/certificate may not cover all costs associated with medical care incurred by the buyer during the period of coverage. The buyer is advised to review all policy/certificate limitations. **Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year $2,000 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed $2,000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy/certificate. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plans' separate foreign travel emergency deductible.

Disclosures

Use this outline to compare benefits and premiums among policies.

This outline shows benefits and premiums of policies sold for effective dates on or after June 1, 2010. Policies sold for effective dates prior to June 1, 2010 have different benefits and premiums. Plans E, H, I, and J are no longer available for sale.

Premium Information

We, United of Omaha, can only raise your premium if we raise the premium for all the policies like yours in the same geographic area of the state where you live. Until you are age 90, your premium may change each year. This change will only be made on the first renewal date that coincides with or follows each anniversary of the policy date. Schedules of rates may vary depending upon your policy date.

Risk Class Rating

If, according to our underwriting standards, you are overweight or underweight for your height, you will be considered to be a greater insurable risk. In such a case, your premium will be priced either as Class I - 10% or Class II - 20% higher than the rates illustrated, based on your Body Mass Index (BMI) reading. Risk class rating will not be applicable when you apply for coverage during an open enrollment or guaranteed issue period.

Household Premium Discount

If you resided with at least one, but no more than three, other Medicare eligible adults for the past year, or you are married, and at least one of these other adults or your spouse also owns or is issued a Medicare Supplement policy underwritten by United of Omaha or its affiliates, you will be eligible for a household premium discount. The discounted premium will be priced 7% lower than the rates illustrated. Your policy's household premium discount will be removed if your spouse or the other Medicare Supplement policyholder chooses to terminate their Medicare Supplement policy or he or she no longer resides with you (other than in the case of their death).

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to United of Omaha Life Insurance Company, Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

The policy may not fully cover all of your medical costs. Neither United of Omaha nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The Company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Restricted Network Provision
The benefits under our Medicare Select policies are payable in full if the insured is hospitalized in a hospital participating in our network. Reduced benefits are payable if the insured is hospitalized in a non-participating hospital. If you use the services of a non-participating hospital, we will not pay the Medicare Part A deductible amount unless:

(a) you are hospitalized for symptoms requiring Emergency Care or hospitalization is immediately required for an unforeseen sickness, injury or condition;

(b) it is not reasonable for you to obtain services through a participating hospital; or

(c) you require covered services that are not available through a participating hospital.

The reduced benefits require the insured to pay the entire Part A deductible amount.

Emergency Care and Urgently Needed Care
The full benefits of your coverage will be paid anywhere if hospitalization is for Emergency Care. Emergency Care is defined as care which is needed immediately because of an injury or sickness of sudden and unexpected onset.

Referrals
There are no restrictions on Referrals to other hospitals if referred by a network hospital and this Referral is approved by us. Additionally, there are no restrictions on Referrals for outpatient providers regardless of whether that provider is in the service area.

Availability of Other Medicare Supplement Plans
United of Omaha Life Insurance Company also offers standard Medicare Supplement Plans A, C, D, F and G, which do not contain restricted network provisions. We offer the Medicare Select coverage under plans C, D, F and G. These plans do have a restricted network provision. You have the right to initially or subsequently purchase any of the plans for standard or select coverage.

If you purchase one of the select plans, you will have the right to convert to a standard plan offered by us which is of comparable or lesser benefits. You will not have to provide evidence of insurability after the Medicare Select plan has been in force for six (6) months.

In the event the Secretary of Health and Human Services determines that Medicare Select policies issued should be discontinued due to either the failure of the Medicare Select program to be re-authorized or its substantial amendment, your coverage can be continued. Your Medicare Select policy can be converted to a Medicare Supplement policy offered by us which has comparable or lesser benefits and which does not contain a restricted network provision.

Quality Assurance
All participating hospitals within the network must be approved for reimbursement of Medicare benefits. They must also comply with the criteria set forth by The Joint Commission on Accreditation of Healthcare Organizations (JCAHO).
