## Your Sentinel Plan™

## **Medicare Supplement Plans**

A Sentinel Security Standard Medicare
Supplement insurance policy helps pay eligible expenses not paid for by Medicare Part A and Medicare Part B. There may be charges that exceed what Medicare and your Sentinel Security Standard insurance policy will pay.

"Medicare Eligible Expenses" means expenses covered by Medicare to the extent recognized as reasonable and medically necessary by Medicare.

## Sentinel Security Standard Medicare Supplement will not pay for:

- Any expense incurred before your Policy Date
- Services for which no charge is made
- Expenses paid by Medicare
- Hospital or skilled nursing facility confinement incurred during a Medicare Part A benefit period that begins while this policy is not in force
- Loss or expense that is payable under any other Medicare supplement insurance policy or certificate

Medicare Part A Eligible Expenses for Hospital/ Skilled Nursing Facility Care include expenses for semi-private room and board, general nursing and miscellaneous services and supplies.

A Benefit Period begins the first full day you are hospitalized and ends when you have not been in a hospital or skilled nursing facility for 60 consecutive days.

**Co-Insurance** is the portion of the eligible expense not paid by Medicare and paid by Sentinel Security Standard Medicare supplement.

Benefits are paid to you, your hospital or doctor.

You have 31 days from your renewal date to pay your premium. Your policy will stay inforce during this 31-day grace period.

Your Policy is guaranteed renewable. Your policy cannot be canceled. It will be renewed as long as the premiums are paid on time and the information on your application is correct.

	Med Supplement/Select Initial Premium Receipt, and Life Insurance conditional receipt (Form SSLMED-101-OT) – The Initial/Conditional Premium Receipts must be left with the applicant(s) and the
	full modal premium is required with all applications
Ple	ase note, you are also required to provide the applicant(s) with the following items:
	Guide to Health Insurance for People with Medicare
	Outline of Coverage (Form SSLMED-OTLN10-OT)

## **Premiums and Policy Fee**

Utilize the Sentinel Security Whole Life New Vantage I premium chart to determine the correct monthy life insurance

Utilize the Outline of Coverage to determine Medicare Supplement premiums:

- Determine ZIP code where the client resides and find the correct rate page for that ZIP code
- Determine Plan
- Determine if non-tobacco or tobacco
- Find Age/Gender Verify that the age and date of birth are the exact age as of the application date, this will be your base monthly premium
- Use the Calculate Your Premium form to adjust the monthly premium for different modes and to add the policy fee

There will be a one-time Medicare Supplement application fee of \$25.00 that must be collected with each applicant's initial payment. For a husband and wife written on the same application, \$50 in fees must be collected. This will not affect the renewal premiums and the application fee doesn't apply in WA.

## IMPORTANT STATEMENTS TO BE READ BY APPLICANT

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).
